Who We Are

Club Colors is a full-service branded merchandise and marketing solutions company. Our people and our processes are trusted by the largest brands in the world to create impactful and meaningful branded experiences. Our dedication to commitment to exceeding the expectations of our client partners has been the basis for our rapid success and growth.

Based in Schaumburg, IL our office is filled with teammates that are passionate, love what they do, have access to lots of caffeine and use a gong to celebrate wins. It's not for everyone, but it's perfect for our next team member.

Our Brand Merchandise Team

The typical process by which people get branded merchandise is full of steps that don't make much sense and drain the fun out of what's supposed to be a fun experience. That's where we see opportunity. Our mission has to bring back the fun in this fun industry with client partners that see the same opportunities.

Ultimately the branded merchandise a client selects for their use conveys many messages and its quality and creativity should never be compromised. Our approach and strategic relationships with our suppliers, factories, decoration partners and technology allow us to provide rapid and creative solutions to our clients. Our Brand Merchandise team is heavily involved in ensuring the Club Colors experience is executed on a daily basis.
