

Virtual Assistant - Sales and Marketing Lead Generation Specialist

Are you a Sales rep, Multi-line or Distributor buried with work? Do you have leads with no time to follow up. Wouldn't it be helpful for someone to assist with sales calls.

Specializing in lead generation, list building, setting appointments, client follow up, outbound calling, prospect tracking, etc. I can help grow your business by connecting you to the buyers. My unique skill has proven results that identify the decision makers. I'll find new prospects and YOU close the deal!

If your goal is increased sales revenue instead of leads going nowhere let's talk! I have over 15 years of industry experience. Flexibility with hours (Part-time is fine.) Ideally 16-20 hours per week. Please contact me at:

virtualpromohelp@gmail.com

I'm on the West Coast and 2 hour or less time difference preferred. Plenty of industry references to provide. Personal information will be disclosed at point of contact. Seeking remote employment.
