

Are you a Sales rep, Multi-line or Distributor buried with work? Do you have leads with no time to follow up. Wouldn't it be helpful for someone to assist with sales calls. What about social media? Do you utilize Facebook or Twitter to answer inquiries or market new products to your customers.

Specializing in lead generation, list building, setting appointments, outbound calling, client follow up, prospect tracking, customer service, social media etc. I help grow your business by connecting you to the buyers. My unique skill has proven results that identify the decision makers. I'll find new prospects and YOU CLOSE the SALE!

If your goal is increased sales revenue instead of leads going nowhere let's talk! I have over 18 years of industry experience. Flexibility with hours (Part-time is fine.) Ideally 16-20 hours per week. Please contact me at:
