

Virtual Assistant - Marketing Lead Generation

Are you a sales rep, multi-line or distributor in need of help?
Do you have leads with no time for customer follow up?

I set appointments, follow up, prospect tracking, etc. I make calls to companies and identify the decision makers.

If your goal is increased sales instead of leads going nowhere let's talk. I have over 15 years of industry experience.

Flexibility with hours 10-15 per week. Please contact me at:
